Accessories

GRASS NOVA PRO Railing system 7.16

Drillig jig for GRASS Interwood 7.18

Spacer bar for drawer runners 7.19

Kitchen worlds. Moved by Grass.

Grass moves through differentiating design.

Recognized with many awards and employed by the world's best designers - that's furniture hardware by Grass. Both hinge and slide systems offer impressive product design and function, which in turn enable unique furniture design. For the world's best and most attractive kitchens.

Kitchens of the world. Moved by Grass.

Häfele Functionality: The highest standards in design and function

Häfele offers you a versatile drawer runner range, allowing you to configure drawers according to the individual needs. This standard of quality you have come to expect from Häfele, can once again be found within our new and innovative extensive range of drawer runner applications and requirements.

Visit us in our Häfele Design Studios and consider our complete range of drawer runner by means of furniture mock-ups. If you have a project for which you are considering using our fittings then our experienced sales team are ready to assist you in selecting products and creating the specification.

Single extension, load bearing capacity up to 60 kg

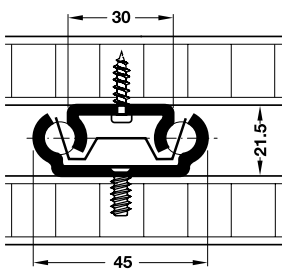

- Area of application: For keyboards and drawers
- Material: Steel
- Finish: Galvanized
- Guided by: 2 Ball cages
- Drawer width: Max. internal carcass width -43 mm
- Installation: Screw fixing to shelf or drawer, surface or side mounted

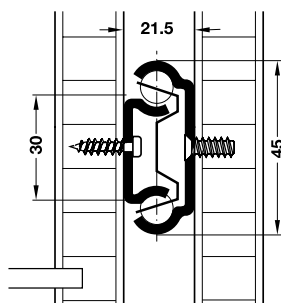

Carcass rail L	Extension length AL	Extension loss AV	Cat. No.
350 mm	230 mm	120 mm	422.60.337

Packing: 1 pair

Installation

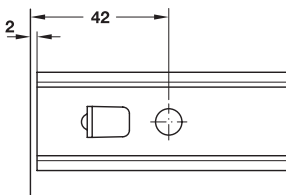

Mounted as shelf runner

Mounted as drawer runner

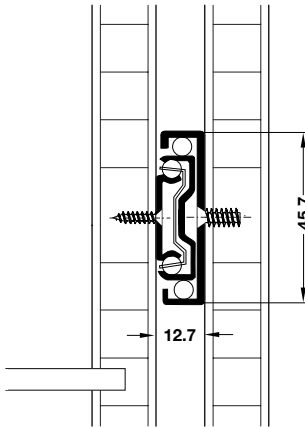

Drilling dimensions

Full extension, load bearing capacity up to 30 kg

Installation

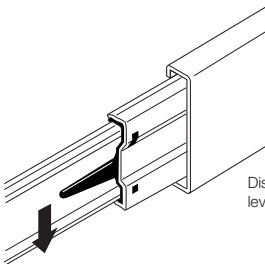

- Material: Steel
- Finish: Galvanized or black galvanized
- Guided by: 2 Ball cages
- Version: Can be disengaged using release lever, with stay closed feature for holding in closed position
- Temperature range: -20 to +80 °C
- Fitting to side panel: Screwing into 32 mm series drilled holes
- Fitting to drawer: Screw fixing, lateral installation

Installation length L	Extension length AL	Galvanized	Black galvanized
250 mm	250 mm	422.25.258	422.25.267
