COMPANY PROFILE

Astrum is a Hong Kong based company that is wholly focused in
Mobiles and related products.

Since inception in 2008, we strongly believe to break down the
barriers between people and technology.

We adopt the most unique and modern concept in our processes
thereby ensuring all-round "Quality and Value"

Astrum continues to cross into new frontiers, through innovative,
robust and reliable products.

Staying on the cusp of progress allows us to do what we love best,
using technology to ease people life.

OUR VALUES

INNOVATION
ADAPTABILITY
HONESTY
TRUST WORTHINESS
TREND

Mission Statement

Our mission is to assure the best quality, cutting-edge
technologies and most convenient products to our
faithful customers.

Our Vision

Technology, quality, market and environment are the critical
success factors on which Astrum is constantly focusing to
further develop its business and bring added value to its
customers, Our aim is to see people using Astrum to
create their world.

Our Brand

Astrum is more than just a company name, it's a brand that
promises an experience to people.

ST230

MAGIC STICK

Android HDMI stick dual-core with Bluetooth

Specifications:

CPU cortex A9 1.6 Ghz.
DDR3 1GB inbuilt memory.
Android 4.2 jelly bean.
Convert TV into full function smart TV.
Hardware video decode & DLNA allows real time streaming.
Plays real HD video direct from USB or NAS device.
Easy to access thousands of Apps including Google play store.
Bluetooth, HDMI & Wifi connectivity, Multilanguage support.

PB500 SOLAR POWER BANK

Solar rechargeable 5000mAh power bank
1.5 amp USB port for most smart devices
Over Charge / Short Circuit / Over Voltage / Over Current Protection
2 x USB port to charge 2 devices
Led torchlight for illumination in dark areas and corners
Micro USB cable for charging, rain resistant & shock proof

ENERGY EFFICIENT
SOLAR POWER

PB400 POWER BANK

4000mAh power capacity for most devices
Texture case for better grip and comfort
Light weight easy to carry around
Over charge, Short Circuit, Over voltage & current protection
Wear resistant & fireproof, ABS profile + PC shell
1 amp USB port for smart mobile devices

4000
mAh

PB540 POWER BANK

5,400mAh power capacity for most devices
Textured leather profile for better grip
Over charge, Short Circuit, Over voltage & current protection
Wear resistant & fireproof, ABS profile + PC shell
1amp capacity for tablets & smart phones
Inbuilt LED torchlights for powerful illumination in dark areas and corners, or desktop

5400
mAh

PB140 POWER BANK

10,400mAh power capacity for most devices
Texture surface & compact design for comfort
Dual USB charging ports for two devices at once
LCD panel displays power status
1 & 2.1 amp intelligent power output for most devices
Wear resistant & fireproof, ABS profile + PC shell
Inbuilt LED torchlights for powerful illumination in dark areas and corners, or desktop

10400
mAh

PB270
POWER BANK

2,600mAh power capacity for most devices
Pocket sized power bank easy to carry around
Over charge, Short Circuit, Over voltage & current protection
Wear resistant & fireproof, ABS profile + PC shell
1amp capacity for smart phones and other devices

2600
mAh

PB100
POWER BANK

10,000mAh power capacity for most devices
Glossy aluminium profile for better grip
2 amp USB port for tablet, 1 amp port for mobiles
Over charge, Short Circuit, Over voltage & current protection
2 amp input for faster charging from 10hrs to 5hrs
Micro USB cable for charging smart devices and others
Li-polymer rechargeable battery
Inbuilt fireproof mechanism

10000
mAh

PB130
POWER BANK

Charge Smart Phones, MP3, MP4, GPS, Smart phones, e.t.c
Convenient with output connectors.
Embedded with a precise IC
Over charging, and short circuit protection
Intelligent power manage solution, Capacity: 13000mAh
Texture case for better grip and comfort

13000
mAh

PB780
POWER BANK

7,800mAh power capacity for most devices
Textured leather profile for better grip
2xUSB port to charge to two devices at once
Over charge, Short Circuit, Over voltage & current protection
1A & 1.5A power output to charge devices faster
For mobile & smart devices, GPS and game consoles

7800
mAh

PB520
POWER BANK

5,200mAh power capacity for most devices
Textured leather profile for better grip
Attached Micro USB Cable / USB port
Over charge, Short Circuit, Over voltage & current protection
2amp capacity for tablets & smart phones with
intelligent auto shutdown
For mobile & smart devices, GPS and game consoles

5200
mAh

PB250
POWER BANK

2,500mAh power capacity for most devices
Portable wallet size power bank for easy mobility
Embedded micro USB charger
Over charge, Short Circuit, Over voltage & current protection
1/2amp capacity for tablets & smart phones with
intelligent auto shutdown
With high quality polymer A-grade cell

2500
mAh

KL610

USB GAMING KEYBOARD

Red back light for your mood
Highly comfortable keys for smooth and silent typing
Furtive black finish

KT290

BLUETOOTH KEYBOARD

Ultra-thin bluetooth wireless keyboard.
Compatible with Tablet, Smart phone and Laptop.
Highly comfortable keys for smooth and silent typing.
Brushed aluminium finish.
Press Esc + K keys to make keyboard discoverable.

MULTIPORT CARD READER

Hi speed USB 2.0 interface.
Fully backward comptible with USB 2.0 / 1.1.
Hot swappable support.
Simultaneous connection to more devices.
Input: Mini USN / DC adaptor optional
Output: 4 USB 2.0 type
Windows XP / VISTA / Win 7 / Win 8 / OSX

CR040
MULTIPORT CARD READER

Hi-speed USB 2.0 Multi card reader.
Super slim design, compact and easy to carry.
Stylish, Plug and Play.
Supports latest memory cards.
Connection type: Mini USB
Support card: M2, XD, SD, Micro SD
Output: USB 2.0 type
Windows XP / VISTA / Win 7 / Win 8 / OSX

UH040
MULTIPORT USB HUB

Hi speed USB 2.0 interface.
Fully backward comptible with USB 2.0 / 1.1.
Hot swappable support.
Simultaneous connection to more devices.
Input: Mini USN / DC adaptor optional
Output: 4 USB 2.0 type
Windows XP / VISTA / Win 7 / Win 8 / OSX

CU110
LAPTOP UNIVERSAL CHARGER

CU110
UNIVERSAL CHARGER HOME

Automatic Voltage management.
Built-in microcomputer CMOS chip.
Fluctuation absorption Technology.

CL530
Charger for HP 90w,18.5V, 6.5A, 7.4x5.0Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all HP laptops for this size.

CL410
Charger for DELL 90w, 19.5V, 4.62A, 7.4x5.1Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all DELL laptops for this size.

CL520
Charger for HP 90w, 19V, 6.0A, 7.4x5.1Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all HP laptops for this size.

CL640
Charger for IBM 90w, 20V, 4.5A, 7.9x5.0Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all IBM laptops for this size.

CL710
Charger for SONY 90w, 19.5V, 4.7A, 6.2 x 4.4Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all SONY laptops for this size.

CL660
Charger for SAMSUNG 60w,19V, 3.16A, 5.5 x 3.0Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all SAMSUNG laptops for this size.

CL320
Charger for ACER 65w, 19V, 3.42A, 5.5 x 2.5Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all ACER laptops for this size.

CL460
Charger for FUJITSU 65w,19V, 3.16A, 5.5 x 2.5Pin
Smart IC protection for over charging, short circuit etc.
Fireproof 94 -Vo-grade material.
Compatible with all FUJITSU laptops for this size.

CW100 WIRELESS CHARGER

Charges Smart Phones with Qi enabled technology
Ultra portable and wireless design for portability
Anti slip surface holds the devices in place to prevent falling
Over charger, over current, short circuit protection
Easy & convenient inductive wireless charging
Output: 5V DC output 1A power for adequate charging

WIRELESS CHARGER

CC200 OXYGEN CAR CHARGER

Dual USB air purifier charger applies to all cigarette smog
Special design active oxygen & gives fresh air
Short circuit, over heat, over current & over charging protection
Charges all smart tablets & smart phones
3.5 Amp power output to charge smart devices
2 x USB port charge two devices at once

CC420 CAR CHARGER

Stainless steel charger
No radio loss in your car or effect to bluetooth devices
Short circuit, over heat, over current & over charging protection
Stainless steel profile wear resistant
2.4 Amp power output to charge smart devices
2xUSB port charge two devices at once

CH410
HOME CHARGER

Rapid charge with 6.8amp total output.
Smart IC for intelligent recognition of device.
Fluctuation absorption Technology.
4 ports USB chargers 4 devices at once.
Over charge & short circuit protection

CH210
DUAL USB WALL CHARGER

2.1 Amp total output for rapid charging of devices
Smart IC protection for over charging, short circuit etc.
Car socket head fits any car socket inserted
USB 2.0 port for for USB charging of smart devices
Small, portable & versatile for OTG pupose

CH220
DUAL USB WALL CHARGER

3.4 amp total output for rapid charging of devices
Smart IC protection for over charging, short circuit etc.
Car socket head fits any car socket inserted
Dual USB 2.0 port to charge two devices at once
Small, portable & versatile for OTG pupose

CC380
CAR CHARGER

2.4A rapid charge 8 pin car charger
1.0A USB port to charger other devices.
Fluctuation absorption Technology.
1 meter integrated cable with lightning connector.
Over charge & short circuit protection.

UP520
POWER BOOSTER

USB Smart Power Booster for All Smartphones, Tablets, and Other USB-Enabled Devices
Converts 5V to 5V 2A to provide sufficient volatge
Convenient travel charger & portable
Changes the power mode of your PC's USB ports
Changes ordinary DC power adapter or cell phone adapter to USB outlet full speed charger

CC210
USB CAR CHARGER

2.1 Amp total output for rapid charging of devices
Smart IC protection for over charging, short circuit etc.
Car socket head fits any car socket inserted
USB 2.0 port for for USB charging of smart devices
Small, portable & versatile for OTG pupose

CC340
DUAL USB CAR CHARGER

3.4 amp total output for rapid charging of devices
Smart IC protection for over charging, short circuit etc.
Car socket head fits any car socket inserted
Dual USB 2.0 port to charge two devices at once
Small, portable & versatile for OTG pupose

CK310 AU
USB COMBO CHARGER

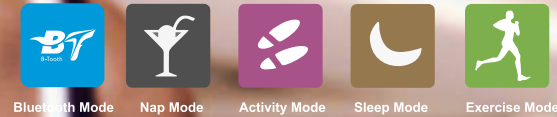

2 in 1 combo USB charger for car and home charging
Smart IC protection for over charging, short circuit etc.
2.1 amp car & AU home charger for OTG charging
Dual USB port on both chargers for USB charging

CK310 EU
USB COMBO CHARGER

2 in 1 combo USB charger for car and home charging
Smart IC protection for over charging, short circuit etc.
2.1 amp car & EU home charger for OTG charging
Dual USB port on both chargers for USB charging

SB100 SMART WRIST BAND

FEATURES

Bluetooth V4.0 technology smart wrist band
Slim, comfortable, and portable, easy to wear
track your mobile phone when misplaced
upto 10 meter wireless distance
60mAH Li-polymer battery upto 21 days
24 hours health monitoring band
Supports Android 4.3 or later, iOS 7.0 or later

SH510 SMART HOLDER

Smart holder for smart phones & GPS devices
Special rubber grip to the device in place
Triangle design with 360 degree rotations
Suction cup locking mechanism for better grip
Easily attach to Windshield or Dashboard of cars
universal holder for 3.5 - 6.3 inch smart phones & GPS

SS110 SMART STICK

Built in remote camera control functions
U type clamp suitable for all types smart of phone
Lightweight & compact design for portability
Fully adjustable and extendable between 20-78cm
With camera button over 3 seconds to turn on/off
Bluetooth V3.0 for syncing with smart devices

2-in-1

CP210 COOLING PAD

2 x 140mm USB powered quiet fan.
Optimal air flow for extensive cooling.
Fashion blue LED light.
Slim and modern look.
Compatible with any laptop upto 19"

CP160 Cool Pad

140mm USB powered quiet fan.
Optimal air flow for extensive cooling.
Fashion blue LED light.
Slim and modern look.

Drop test passed Quality.
Cooling stand for notebooks up to 15.6" screen size.
Low power consumption to ensure notebook's battery life.

CP170 Cool Pad

Slim and modern look.
Drop test passed Quality.
2 X 140mm USB powered quiet fan.
Optimal air flow for extensive cooling.

USB extention port & Fashion blue LED light.
Cooling stand for notebooks up to 17" screen size.
Low power consumption to ensure notebook's battery life.

7" Dual Camera Tablet PC

7" Ultra-slim Free Handle Design

Enrich Your Entertainment Life With Different Experience

Dual Built-in Camera Shoot Your Life In The Happy Moment

Built-in 3g, Built Bridge Between Your Friends No Matter How Far You Are

Android 4.4 TABLET TAB 7.0 3G PRO

SPECIFICATIONS

Operation System: Android 4.4
Screen Size: 7 inch panel 1024X600 pixel
Screen Type: HD
CPU: Dual Core A20 ARM Cortex A7 1.2GHz
RAM: 1GB DDR3
Disk Storage: 8G
External TF Card: Support(up to 32GB)
WIFI: Support, 802.11b/g/n
3G: Built in 2G / 3G.GSM/GPRS/EDGE/HDSPA
Bluetooth: In-Built Bluetooth
Camera: 0.3MP Front, 2.0MP Rear Camera
Product size: 193X109X9.8mm

FM300
FM PLAYER BLUETOOTH

Bluetooth 2.1 + EDR technology
Supports AUX function, Dual USB Max output: 5V/2.1A
Hands free functionality reject or make calls
Built in intelligent microphone for voicecalls
Utilizes DSP technology, full duplex
CVC noise and echo suppression
High quality FM listen to favorite radio stations

NL030
USB LED LIGHT

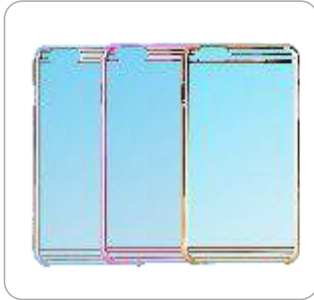

USB powered LED light
18 luminance brightness
Soft light, no harm or damage to the eyes
Suitable for any device with USB port
Elegant & smart design for easy portability
Flexible & bendable body for different angles

CR100
OTG CARD READER

Supports cards up to 64GB
Plug & play, no driver required to work
Key ring feature great for portability
Support read, write, copy & save function
Compatible with all PC / Android devices
interface board, using 20+4PIN split design.
Smart design with strap to hand on the neck
